SANDRO

CATALOGUE HOMME AUTOMNE / HIVER 2024

Pour l'automne-hiver 2024, les studios Sandro font se confronter les matières.

Gilet de berger zippé en shearling écru tout droit sorti d'une bergerie, par-dessus un cuir cognac.

Pantalon évasé, denim thermocollé ample, le look presque hippie, mais affûté.

On retrouve dans la collection des tons noirs, marine, bruns ou gris qui expriment l'allure Sandro.

Pas d'extravagance, ni dans les coupes, ni dans les motifs, mais une attention particulière à la fluidité des matières et aux coupes, en témoigne une gamme de costumes en laine chaude et de pulls en mailles cachemire ou yak italiennes.

L'homme Sandro ne se contente pas de pièces dites « essentielles », mais propose une attitude.

Une manière de les porter et de les conjuguer, impromptue, presque improvisée et simple.

SANDRO

FALL / WINTER 2024 MEN CATALOGUE

For Fall-Winter 2024, the Sandro studio confronts materials together. A zipped shepherd's vest in ecru shearling straight out of a sheepfold, a cognac leather overcoat, flared trousers and loose-fitting thermo-fused denim — the look is almost hippy, but sharp.

The collection features black, navy, brown and grey tones that express the Sandro look.

There's no extravagance, either in the cuts or the patterns, but a particular attention to the fluidity of materials and cuts, as evidenced by a range of warm wool suits and Italian cashmere or yak knit jumpers.

The Sandro man does not settle for so-called "essential" pieces but suggests an attitude.

A way of wearing and combining. Impromptu, almost improvised and simple.
